Soda is a very well-bred 5-year-old 14.3 hand buckskin gelding with a pedigree like the who's who of the Quarter horse industry. Smart Chic Olena and Hollywood Dun it just to name a few. This cute horse is really gentle and user friendly to ride for most any level of rider. He collects up nice, has a nice easy jog and will lope out on cue. He has a nice turn around with a good stop, back up and side pass. Moves off leg and cues with ease. This is the kind of horse that can teach one to ride. He has been to the horse shows and been team sorting and has some cow to him. He is an outstanding trail horse. Crosses water, bridges or anything else we ask. He will lead or follow, goes out alone or in a group. Soda has no bad habits or vices and is good to shoe, bathe tie and haul. This is a really good-natured horse with his whole life ahead of him and can go in many directions. Very easy to work with. Safe sand and 100% sound. Not bad to look at either!
