Les is one of those really broke and really fun and safe geldings that we all look for. He is super well-bred and it is no accident that he is as good as he is. At 15 hands and 10 years old he is in the prime of his life and is always ready for whatever we ask and is put together the way one should be. He takes his leads, stops and backs with ease and is really easy to ride and be around. He has excellent ground manners and a super smooth pony lope and will lope out from a stop on cue and has a one hand neck rein. He is a 4-wheel drive machine in the Ojai mountains and goes up and down, over or thru everything we point him at. Gets around well in the steep country. He will go out alone, rides in a group at the front or rides drag or just cruises in the middle and never give us any fuss. Traffic, cars, busses and trash trucks and the like are no problem in the concrete jungle. 100% safe sane and sound.
