This beautiful 12-year-old 14.3 hand buckskin gelding is well bred, extremely gentle and is very well trained. Noah, aka the wall mart greeter, aka tour guide aka Visitor is an exceptionally good-natured horse that loves people and loves attention! He has a super friendly disposition and will be the first horse to walk up and meet you out in the pasture. Noah is a very well-rounded gelding. In the arena he is soft in the bridle, has a nice smooth slow jog and lopes out on cue on the correct lead every time. He has a great stop and back up and will roll back and lope out of his tracks when asked. He carries the flag and we think he would be a great horse for drill team. Noah has had outside roping experience and is good to do ranch chores on. We have ridden Noah all around our busy neighborhood streets and out in the mountain trails. We have put first time riders on him and he has proven himself to be a safe and trustworthy mount for all. He is very safe and solid on our busy streets as well as out on the mountain trails. He is sure footed and will lead or follow and is good in larger groups. This attractive well broke gelding is the kind of gelding that so many of us are looking for. Noah is 100% safe, sane and sound with no vices. Whoever gets him will absolutely love him!
