AQHA classy made 7-year-old 15 hand bay mare. Tootsey is a very attractive well bred and very well-trained horse. She has a good one hand neck rein and moves off hand or leg cues with ease. This is a gentle yet handy horse that is an absolute pleasure to ride and be around. Tootsey has been in good hands her whole life. She is soft and supple, has a nice slow jog, will lope out on cue and is smooth traveling. Stops, backs up and side passes with ease. Takes the correct lead every time. Better hold on if you ask her for a turnaround as she is really good at it! Tootsey has extensive outside trail and ranch riding experience. She will go anywhere we point her without hesitation. She will go over, thru or across anything that is possible for a horse to do and is very dependable and sure footed. Lead, follow or go out alone it makes no difference to her. She rides like one of the geldings and is well mannered and un affected by the other horses that ride in close proximity to her. Tootsey is also solid to ride around our busy neighborhood streets. Dogs, cars ect are of no issue to her. This is a really good well-trained horse that most anyone would enjoy to own and ride. You know if we have a mare that she is a good one! 100% safe sane and sound with no vices or bad habits.
