We call this beautiful palomino Tobiano gelding "BOYFRIEND" because all the girls fall in love with him! Boyfriend is an attractive thick made 15.1 hand 5 year old APHA gelding that's gentle for the whole family. Horses like him are hard to find and are few and far between. He is well bred and has had professional training. He is very user friendly to ride and be around. In the arena he has an easy one hand neck rein, moves off leg cues correctly, has a nice slow jog and strikes out on the correct lead on cue. Boyfriend is also a great trail horse. He will lead or follow or go out alone with no fuss. He crosses the river, the streams and goes up and down our rocky steep terrain quietly and carefully. Around our neighborhood Boyfriend handles the fast moving cars, trucks and motor cycles as well. Boyfriend has also worked on the ranch and does all the ranch chores and has been used for every duty required on the ranch including roping cattle, sorting and doctoring and has been used in the branding pen and you will never have to dismount to open and close the gates. Anyone any age should be able to ride this horse. He is always a gentleman, is very quiet minded and has more whoa than go but will pick it up if desired. This is an exceptional young horse that is safe sane and 100% sound and has his whole life ahead of him. No bad habits. We can't say enough good about him. This is the hard to find kind!
