If you are looking for a big and beautiful gentle giant you have just found him! Everest is a 16.3 hand Friesian Quarter cross 11 year old bay gelding. He is registered in the sport horse association and has the kindest disposition one could ever ask for. He will lower his head to halter and bridle him up; stands tied quietly and is very well mannered. He was used in dressage when he was younger but has been most recently used as a trustworthy trail horse. Everest will collect up nice, travels smooth and moves off leg cues with ease. Does half passes, turns around on his haunches and is open to whatever we ask of him. He is outstanding on our busy streets as well as out mountain trails. He will lead or follow, ride quietly or in larger groups and will go out on his own. Crosses water, bridges, downed logs and goes over, around or thru whatever we point him at. Everest is equally as good around the neighborhood and the barking dogs, bikes, motorcycles, joggers and such are of no bother to him. This horse gets along well out in the pasture with the other geldings as well. He is good to tie, bathe and shoe and will hop right in the trailer. Everest will also side up to the fence or rock pile so one can get on easy. Everest loves people and attention and is the perfect cross of Friesian/Quarter horse and has the best qualities of both breeds. You will have to search the whole U.S.A to find another one like him. He is one of a kind! 100% safe, sane and sound.Sold. Sorry you missed him. We have others. Feel free to drop us a line and see if we have a match for you. Happy trails! :)
