West is a super cute thick made and well-bred 14.3 hand 10 year old chestnut gelding with big feet and a very loving personality. This horse loves people and attention. He is gentle and well trained. He has a good one hand neck rein and moves of leg pressure with ease. Lopes out on cue, takes both leads and will side pass over to open and close the gates. West is a wonderful trail horse. He will go wherever we point him quietly and confidently. He is content to lead or follow and rides out quietly in larger groups or out on his own. He crosses the river and anything else we ask with no fuss and is very sure footed and dependable in steep rocky terrain. West is equally as good to ride around our busy neighborhood streets. Cars, trucks, bikes, barking and charging dogs, motorcycles and lawn equipment as well as the occasional discarded couch are of no bother to him. West is more than just a good trail horse. He has been used on the ranch and done all the ranch chores including doctoring, sorting, branding, gathering and shipping cattle and is a finished heel horse. West is a get along guy when turned out with the other geldings. He is always gentle and is a pleasure to ride and be around. Perfect size for easy on and off. Good to tie, shoe load and haul and is up to date on all worming, vaccinations, shoeing. 100% safe sane and sound.
