▪ Horse Trailers ▪ Trails West Manufacturing ▪ 2021 ▪ CLASSIC II

Description

The Classic II model is constructed with a steel frame and aluminum skins. It's 7'0 wide, 7'0 tall with custom drop down feed doors with face grills on the head side, a roof vent in each stall and sliding windows on the tail side. The large 41 stalls provide room and comfort for your horse locked in with the industry's best slam latch divider system. The tack room is very roomy and functional with swing-out saddle and blanket racks.
