Description

The Circle Y Julie Goodnight Peak Performance Reining Saddle provides ultimate comfort for both horse and rider in and out of the arena. Designed by world renowned clinician Julie Goodnight, the Flex2 tree technology and neoprene skirt conform to the horse's back, providing weight distribution and shock absorption. For maximum rider comfort, this saddle contains an Impact Foam seat, Softee seat jockeys and fenders, and pretwisted stirrup leathers to decrease knee and ankle strain. The close contact design keeps you correct in the seat for precise cueing, helping you to get the best performance from your horse.
