Description

Info, 2017 Landa PHW Series, Hot Water Pressure Washers PHW Series, As North America's largest manufacturer of industrial pressure washers, Landa Karcher Group has become the most trusted name in hot water pressure washers with more industrial-grade models than any other brand in North America. Landa Karcher Group's electric-powered, diesel/fuel oil heated line of hot water pressure washers is rugged, durable, and versatile. We offer a broad selection of electric-powered hot water pressure washers to meet all your cleaning needs, indoors or out, with choices that range from economical to industrial strength. Whether you have a need for a portable or skid-mounted unit, Landa Karcher Group has got you covered. For nearly three decades, the PHW has been the flagship of the Landa Karcher Group hot water pressure washer line. The PHW is heated by diesel or fuel oil using a high-efficiency burner. Other quality features include heating coil made of Schedule 80 steel pipe; top-of-the-line, low-RPM, belt-drive, tri-plunger Landa Karcher Group pump with U-seals and 7-year warranty; detergent metering valve for convenience in adjusting the flow of the soap; and an extra rugged fuel-water separator for burner protection. The cool bypass feature keeps water temperature low while in bypass. The balanced distribution of weight, 13" tires and easy-grip handles make maneuvering the PHW a breeze. Snap-N-Go plugs allow the addition of time delay, auto start/stop or LanCom wireless remote options.
