This stunning black gelding is as honest and good natured a gelding as you will find. 10 years old, 16 hands, AQHA registered. Push button and gentle for anyone. Very easy to ride, sensitive to leg, hand, and seat cues. He is athletic with a smooth way of traveling. You can put him to work or ask him to quietly plod along and he is happy doing either. Experienced riders will enjoy the training that this horse has and less experienced riders will enjoy building their confidence on him. In the arena he is very solid and can go either western or English. He is good to sort on, has run the barrels lightly, helped work colts and is great to trail ride. Kobe is very pleasant to be around on the ground and has wonderful ground manners. No vices. \$11,500.
