Nearly new, ONE owner....only hauled one small horse. All aluminum. 2 horse slant with tack room. All walls removable to make utility trailer.

Extra tall. Nice tires, ready to roll.

This trailer was only used to haul to and from local fair and clinics and occasional local shows. They bought it brand new fresh off the truck. It never even hit the lot.

Very very nice trailer with rubber mats throughout. Excellent ventilation. Huge back door opens all the way up. No ramp
