If you're looking for a gelding to add to your show program that is a Western Pleasure winner, here he is! Tuf on the Range aka Fitz has had two years of Western Pleasure training and has points as well. He recently placed 3rd at the Queen of Hearts show in western pleasure with little prep. Fitz is the calmest most docile horse I've ever been around. He is a gentleman at shows and at home. He is up to date on all shots, coggins, worming and teeth. Fitz does require maintenance (hock injections annually).

He is always willing to please and wants to work when in the arena. He is ready and willing to do either HUS or Western Pleasure. He has been ridden outside the arena as well and isn't bad on the trails either.

He is sweet and has a kind eye that will steal your heart. This boy is ready to go to a show home and be your number one. Fitz is for sale at no fault of his own, I am just going back into barrel racing. Located in Fort Worth, Texas. Serious inquiries only, no tire kickers please. Videos and additional pictures available upon request. If interested please provide phone number.
