She is 16 years old, and stands at 15hh. (Registered) She would make a great brood mare, trail horse, or pasture buddy. I bred her about three years ago and she is an awesome momma. She has been sitting in the pasture for a couple years. She has a very willing, sweet personality. She needs an experienced rider due to her not being work for a couple years. I've ridden her at local trails when I was working her, but she needs a refresher. She has good ground manners. Ever since I bred her, she gets upset once I ride off and leave her so need to sell to someone who can work her. I don't have the time to work with her due to having too many. She is located at my grandmas farm in Clyo, Georgia about an hour from Savannah .
