Silver is a true gentleman of a horse. He is a 10 year old 15.1 hand AQHA Grullo gelding with a kind eye, lots of bone and good feet. This horse really takes care of his rider and has a naturally quiet and willing disposition. He has been used to perform all aspects of ranch work and has been ridden by all levels of rider from beginner to advanced. Easy to get along with and nicely trained to ride in the arena, on the trails or out in the pasture. He has a good neck rein, gets soft on the bit, has a nice stop and will sidepass over to open and close gates. Silver is very comfortable to ride and is one of the smoothest trotting horses you will find. He has roped lots of cattle outside and drug lots of calves to the branding fire. He is also a superb trail horse who will go up, down, over or through just about anything you point him at. Very good ground manners. Easy to catch, good to shoe, tie, load and haul. 100% sound and sane. \$9500
