Super sweet gentle trail riding gelding. Was originally started at a cutter, since then been a backyard pet and trail riding horse. Very sweet, and extremely slow and laid back. Naturally HUGE stop! Loves living in the barn, but is happy turned out, gets along with absolutely anyone! Been turned out over 2 years and the video below is his first ride back! More video coming soon, if he doesn't sell first! Just had his shots and teeth and shoes done, have him in the barn and about to start tuning him up!
