Description

Lil Painty is a super safe, go throw the kids out there and go do whatever kind of guy. We have had this guy all summer and he has been the go to pony that the kids play with and put their friends on, bathe, clip, saddle wrong and right...try to bridle, pick feet, ride around bareback and just play around with. They ride him all over the yard, in the arena, around the barrels, try to chase the cows. If you want a pony to throw the kids loose on and let them play, this is him!
