Rebel is a 19 year old barrel and pole horse. He is automatic and not a barrel knocked. My 7 year old daughter has knocked one barrel on him in a year. He won a peewee saddle this year and will go as fast or slow as rider wants. He is not the prettiest thing in the pasture but If you want a horse to take care of your child and get them to the pay window every time this is your guy. I have plenty of pictures and videos. Needing to sell so any offer will be considered!
