Downsizing-Sweet and Gentle 2001 15'2 hh Bay TB Gelding reluctantly for sale.

Maui has proven to be a dependable mount, however I am in the process of downsizing my lesson program and am finding it hard to keep all the horses exercised so I am offering this great guy for sale. He is a little on the lazy side but with a good rider he excels. We have been brushing up on his dressage and he is doing great. I really hate to sell him but I cannot just keep feeding him without a job to do so I am looking for the right home for him. I am a little flexible on the sales price provided it is the right scenario. I can also be financially creative if you need me to be. I will consider a lease to own purchase and payments with 25% down. I'm open to discussion... great home is paramount.
