*** Sweet, kind, lovely mare for sale. 'Rosie' stands 15.2 hands. She is a beautiful dark chestnut color and has blond streaks in her mane and tail - she is gentle and has nice ground manners. Rosie has been a nice trail riding mare, no problems with water, bridges etc. She loads, saddles & bridles easily and is nice to be around. She is on the 'lazy' side - not going to be the leader in a group - But she will ride out a lone. She would be nice mount for a "first time horse owner of family". We guess Rosie to be in-between 12 or 15 years old, although she doesn't look it. She is not registered but we think she is a quarter-horse. Rosie is very strong and could easily carry any person all day, or pack out an elk. She is up-to-date on her worming, vaccinations and trimming. She gets along well in a pasture or a stall.

\$2000 plus the cost for the brand inspection.
