The Tucker Classic High Plains Trail Saddle has the same great look and function you know and expect from Tucker, with a revitalized design. A best seller, the High Plains has a perfect combination of wider swells and a deep 5" cantle, giving riders a feeling of security, while providing ultimate comfort with the revised design Gel-Cush Shock Absorbing seat. Improved engineering has allowed for a lighter weight saddle with expanded Adjustable In-skirt Rigging and tree fit options, to best suit your horse. The ErgoBalance stirrups reduce joint fatigue and promote balanced riding, while the upgraded Tucker logo hardware incorporates rings for tying gear. A rich brown color with smooth seat jockeys and fenders, this new take on a popular Tucker saddle will have you riding in classic comfort with updated style!
