Double registered and imported, Marchadors InMotion mare, Aliane Fazenda Zouga, was awarded "Best Mare" at the Ocala 2012 International Marchador Clinic by the Brazilian ABCCMM Director of Inspections, Tiago Resendes Garcia, and by Kate Barcelos, the only female inspector for the ABCCMM. Aliane was judged on her conformation, gait, and demeanor. She is well decorated with 5 ELITE book stallions in her pedigree. Aliane has also proven her ability to produce, adding one exceptional gelding to the USMMA.

Aliane has an exceptionally smooth batida gait, choosing to gait while other horses canter. She is used as a lesson horse, a trail horse, and has completed in several children's short stirrup and hunter shows. She is an athletic mare with the ability to trot and clear small fences exactly as a non-gaited horse would do. Aliane has the typical batida march that is highly valued by the Brazilians as a stock horse. It's the classic soldier march that gave the Marchador it's name.

In addition, Aliane is a kind, noble horse. She is a wonderful mother to her babies and is the dominant mare when at pasture. She is kind-natured to humans and will pack virtually any type of rider and discipline. She rides English and neck reins as well. Not only is Aliane an excellent representation of a batida gaited mare, she is an exceptional all-around Mangalarga Marchador mare. With her striking color and refined head, she is what most would refer to as a “dream horse.”

The following is a listing of the ELITE book stallions in her parental pedigree:

- 1) Abaiba Gim
- 2) Netuno AJ
- 3) Herdade Cadilac
- 4) Herdade Prateado
- 5) Abaiba Morengo
