*Description

Now featuring Weavers new and improved, patented Roll Snug® Cinch Buckle, the AirFlex Cinch offers the ultimate in cinch design! The innovative, patented buckle's expertly-designed roller system now has less play so your latigo rolls more smoothly than ever. Designed with a contoured lip that keeps your latigo securely positioned, the buckle helps guide you for a straight pull every time. It's modern, sleek design also features a shaped buckle tongue with a hooked tip that helps keep your latigo locked down in place for added security. The unique two roller design of the Roll Snug Buckle pairs with the white cool flex foam of the AirFlex Cinch for the perfect combination of breathability, comfort and performance. Cool flex foam will not absorb heat like traditional black neoprene. This patented, state-of-the-art performance cinch features a unique airflow channel design that helps prevent heat from being trapped and maximizes air circulation. Riders of all types will appreciate this cinch's design. Plus, this cinch is easy to clean by simply hosing off after each ride. Padded flex edges move with your horse for extra cushioning and enhanced performance. Non-rust stainless steel hardware. U.S. Patents #6,993,893; #7,340,873 and #6,688,086

Saddle Weight: 1.50 LBS
