MF WYO ANGEL IN BLUE

True BLUE ROAN Yearling Filly born May 9, 2019

She has an INCREDIBLE good minded disposition.

Limited handling and she takes everything like she has one it over and over again. If I had my 2nd stud yet I would keep her in a heartbeat. I can't breed her to her sire so she goes.

Tested HOMOZYGOUS Black, EE and she is 5 panel N/N thru the parents.

An own Granddaughter of PLENTY TRY.

UTD on shots, dewormed one week ago and have a current coggins if needed for shipping.

She sticks 14 HH now and guessing 15 HH when mature.

I've got a few quick videos if you send me your cell #. I don't know how to download a video on her
