Dixie is an 8 year old unregistered paint mare. She stands around 14.2hh. Dixie stands for bathing, tacking, fly spray, farrier, you name it, she'll just stand there. She is a project but with a little work will make someone an awesome all round or barrel horse. I would recommend an intermediate to advanced rider. She lunges both ways, hops right into the trailer without hesitation and stands like a dream at the trailer. Shoot me a text at - [Click here to reveal phone number](#) -
