Mountain Topper "Kopper" is a 17 year old, 17.1 H IRSH looking for a showing partner for this upcoming show season. He does have some spook to him so he needs a confident rider. He will take care of you over the smaller fences, but needs an extra push for the bigger stuff. Jumping will be capped at 3'3. Must take lessons. Stands for farrier, vet, clipping. Loads easily, has been off property to multiple shows. Shows well fresh off the trailer without schooling. Preferably on property lease only, open to off property if its the right situation. Please contact me if you have any questions, for pictures and videos.
