Wade is for sale! JC name is Barely Stable, 2013 OTTB gelding standing at 16.3h. Sound and sane, he is shaping up to be a very solid citizen. He has been trailered many times, loads perfectly. He has been tied to the trailer for hours at schooling shows. Does not get upset when his buddy leaves. He clips/ties has great ground manners. He has been quiet and consistent and been in training since February. No vices. Schooling 1st and 2nd level dressage. Goes on trail alone and with others. Loves other horses too. I am selling because he doesn't want to be an Eventer. No buck/rear/bolt. He does not want to jump. Looking for an intermediate rider or higher. Would be good for someone with a trainer. Best suited for lower level dressage, trail, non-jumping fox hunting, Western etc. He is big and beautiful!

Mid 4 figures negotiable
