2 yr old Thoroughbred mare. Stands 15.3h, pretty grey with a quiet personality. This mare was rescued from slaughter, very emaciated, and needing a second chance. We have her through the hard stuff and rehoming her to someone looking for a project and finish getting her where she needs to be. She is so sweet and willing, gets along with other horses, easy going. We have caught her cribbing a couple of times when we first got her but immediately put a strap on her and as she started putting weight on, the cribbing seems to be a thing of the past, although I can't guarantee it. She sells with a current coggins, health certificate, recently wormed and feet trimmed.
