Now available for purchase - Streakin Down The Alley!

With a high caliber pedigree that's packed with performing superstars, this 3 year old filly has the athletic ability and mind to take you as far as you want to go. She's been on the barrel pattern for a year with a professional trainer and started right. Ally was allowed to begin speeding things up on the pattern when she turned 3 this spring and began being extensively hauled to prepare her for futurities. She has exhibited in over a dozen different arenas, day and night, big arenas, and indoor pens, and is going smooth and steady. Ally is currently cruising an 18, and has been faster EVERY single time she exhibitions without fail (see video to watch a compilation of her exhibitions this year).

Ally has NOT been entered in a race to ensure she didn't win a check and lose her opportunity to run in futurities! We are very excited to see where this talented filly will go in her career and are hoping to put her with a card holder, or someone on their way there to watch her make it big. She is right on track for her 4 year old futurity year. This mare isn't expected to be anything but an incredible 1D futurity horse, and later on a pro rodeo horse with her excellent conformation and strong bone structure. Greats in her AQHA pedigree include: Streakin La Jolla, Margin Of Cash, Raise Your Glass, Dash For Cash, Flit Five, Mr San Peppy, Three Ohs and Go Man Go, just to name a few. With a pedigree like that, her success as a competitor will be complimented by her quality pedigree as a broodmare after she's done her time competing.

Ally is currently 15.1 hands, UTD on deworming, coggins, vaccinations, and just had a trim. Great hooves, smooth legs, no bad habits or vices, and doesn't need medications or supplements. Easy keeper, looks amazing and muscular, hauls great, eats and drinks on the road, stands tied calmly for hours. She rides beautifully, well broke with an easy going attitude and an explosive sprint speed when asked like her G1 si93 racing sire. Ally loves to run and makes it look effortless. She is also a very nice turner thanks to the small line of Hall Of Fame cow horses on her dam's side.

Being sold for no fault of her own. She was purchased last summer purely as a project horse, and it has been a privilege working with this personable and talented filly.

Contact me for more information or to schedule a time to meet her! She's ready to start Streakin Down The Alley!
