Glow is a 15.2 hand 14yr old medicine hat mare. She is one special girl, and super easy going, and very well trained. Glow works good in the ring and on the trail. She neck reins and has a nice stop.. She isnt for dead beginners because she has some buttons. Glow is super smooth and very responsive. She is good loading and trailering, good for the vet and farrier, she is also good with other animals, loud equipment, and busy roads. Glow is not marish at all she just goes with the flow. She has good ground manners, stands at the mounting block, and on cross ties like a pro. This flashy girl won't last long. Glow lives in Salisbury Mills NY. Serious inquiries please message us
