*Description

* The Spitfire is the first professional breakaway rope of its kind. Made specifically to reach and rope the neck, the 4-strand Spitfire is uniquely made with a customized process using technologically advanced fibers (50 or 60 count).

* This allows the loop to stay open and upon delivery close sharp, fast, and tight around the intended target.

* The enhanced tip has a weighted feel, helping to know where the loop is and guiding it to the intended target.

* The Spitfire shell is extremely smooth, allowing the rope to feed fast and easy.

* The body keeps the loop open to create a perfect storm for an aggressive, first-swing-shot-out-of-the-box necessary to win in today's sport of breakaway.

Saddle Weight: 2.50 LBS
