This beautiful solid Buckskin is double registered with the American Paint Horse Association and with the Pinto Horse Association of America! This gelding is one amazing boy!! WF The Rite Touch or Buck as he's known around barn is a fantastic riding horse and he's definitely one worth looking at because his videos does not do him justice!! This handsome 11 yr old stands at a very well made 15.1 and has been used for trails riding and his owner competed in local Team Roping competitions!! This awesome boy neck reins, side passes, runs and has a nice stop plus a beautiful lope and will walk on a loose rein.

Buck will ride alone and does fine anywhere in a group!! He'll cross water logs, mud and most anything else you might come across and will stand for mounting and dismounting. Buck has also been used for working cattle. He's used to herding and driving cattle!! Buck is a very nice boy and would be best suited for intermediate beginner rider!!! He will stand nicely tied, for the ferrier, for bathing, grooming and for bathing. Buck is an amazing gelding and is going to make anyone a phenomenal companion!! Take a look at his video and see just a glimpse of what this boy can do!!!
