Description

Blackberry is a 10 year old 15.1 hand dark smoky buckskin gelding. He has been mostly used out on the trails and is good to go up and down our mountain trails and crosses the water, bridges, downed trees and such. He rides out alone or in a group and does not mind taking up the rear. He takes his leads, has a good stop and will back up with ease and has been ridden bareback. He has been around cows checking fences and gathering cattle. He hops right in the trailer, gets along well with the other horses out in the pasture. Good ground manners. Safe sane and 100% sound. See video. Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
