Spirit is a beautiful 2.5 year old buckskin and white registered colt that was born when my ankle/foot was broken and needs work. He's had his feet done a few times and is just scared. I don't have a stall to lick him in plus I'm getting treatments on my foot headed to surgery . He's a pretty mover and had a beautiful long mane, has a beautiful tail and forelock he is a beautiful horse! You will have to run him into your trailer so I suggest a stock trailer! Once you have him in a stall by himself he'll mellow right out and you can take him in any direction!
