*Description

* Now with VenTECH technology, the Elite Sports Medicine Boot is lightweight and multi-layered with a ventilated neoprene exterior and UltraShock lining.

* Ventilated neoprene conforms to your horse, allows heat and moisture to escape, and keeps your horse cool, comfortable and performing at its best.

* The boot provides 360 degrees of protection, safeguarding the cannon bone, tendons and soft tissue, and is proven to absorb over 26% of energy from hoof impact.

* The uniquely designed suspensory strap stretches with each stride, allowing full ankle movement and helping to eliminate hyperextension of the fetlock.

* The distinctive angle of this strap guarantees proper application, ensuring the boot provides maximum protection.

* Sold in Pairs

Saddle Weight: 0.98 LBS
