Annie Oakley (AKA Annie) is a 15hh, 8 yr old, Sorrel Appy Molly mule that has a white blanket and a blonde mane and tail. We bought Annie from a fellow in Alabama who had taken Annie on a several 3-5 day camping trips/trail rides. She has been ridden in groups, been around horse drawn covered wagons, campfires, and picket line tied. She goes anywhere that you ask her to go. Annie is not any trouble to bridle and shoes with ease. She is easy to catch, clip, bath, tack-up, load, and handle in anyway. Annie is gentle and safe for beginners to ride. She will flatfoot walk slowly on a loose rein or she will move on out when asked. She has a shuffle gait where she moves out at around 5-6mph, she has a smooth jog and a very nice lope!!! Annie has had 2 months of professional gaiting, trail and bombproof training. She has been ridden around farm equipment, ATV's, over large noisy tarps and has also had guns shot off of her back. Just like everything we say about our horses, we have the videos to prove it, make sure to take a look at those on our website. No matter where she goes or what she does, Annie is not spooky acting. On the trails she is always great! Annie has been exposed to all kinds of wildlife such as deer or turkey or other animals like cows or dogs and will go anywhere that she is asked too. She has been rode many miles in the mountains of Eastern Kentucky and encountered every obstacle possible on the trail. She will go up or down even the steepest slopes, across deep creeks, over downed trees, and over all types of rough terrain while still being sure footed. She has been rode in traffic, and is very traffic safe around cars, semi, log, and dump trucks. She has a great personality and a great attitude about whatever she is asked to do. Annie Oakley is a sure shot to suit anyone!!! Feel free to call me with any questions.
