Starting Bid \$3500

Reno is a 15.3hh, very stout built, Chestnut Paint Belgian/Quarter horse crossbred gelding. He is a big stout built horse that weighs around 1350lbs and will carry any size rider. He is coming 7 years old and lots of experience. Reno was born and raised in Alabama and he has been used in all aspects of ranch work from roping to sorting to branding cattle. Reno has been pasture roped off of and has been started on the "hot heels" for box roping. He has been trail ridden in multiple states and he has saw everything possible on the trails. He will cross creeks, ditches, logs and navigate rough rocky areas. He has a smooth jog and a very nice lope! He is easy to clip, bath, tack-up, load, handle and will be the first horse to come to you out in the pasture. In addition to riding Reno has also been drove in a wagon double and in a hitching cart single. On the trails he has been exposed to all kinds of wildlife such as deer or turkey or other animals like cows or dogs and will go anywhere that he is asked too. He has been rode many miles in the mountains of Eastern Kentucky and encountered every obstacle possible on the trail. He will go up or down even the steepest slopes, across deep creeks, over downed trees, and over all types of rough terrain while still being sure footed. Reno is not cinchy, cold backed, does not crib or weave. Reno is a rare find with his size, experience and rideability! Not to mention he is one of the most sought after items in the horse world today... a draftcross gelding with color and brains!
