### Description

This is a young horse that can take you where you want to go! She is a very well mannered horse, very in-your-pocket type. She has a solid flatwork foundation and has been over fences for almost a year now. She has been trail ridden and is very confident to new obstacles. She is looking for her next partner, just due to her age she is not a beginner horse. No kick, buck, bite or rear. No vices. She stands well for the farrier, trailers well, and ties. Let me know if you have any questions!
