Wonderful young cross-bred stallion in his first trial season. Fantastic mix of arabian beauty and movement with the gentle, lovable disposition of the Bashkir Curlys. Straight type coat with Sabino over chestnut.

His curly heritage hails from the gorgeous Damele bred lines such as Colonel's Fiesty fella, his grandsire. A a stunning example of beautiful buckskin Curly stallion that tragically was struck by lightning leaving very few offspring behind. His sire was the palomino curly stallion Colonel Austin. Favored for his powerful build and his golden color. Then Merlin also has the American Bashkir Curly foundation arabian sire Nevada Red by the famous stallion Nefix son of Serifix. Brought to the curly breeding world on a dare, Nevada Red has left a lasting legacy of gentle, refined horses with fantastic endurance capabilities. Merlin also has another Curly Heritage line of Fox-trotters. Though he doesn't gait himself, he traces back to such as Prince Walker T* where is sabino color originates!

Merlin's sire is by champion racing and producing stallion, Amazing Son - LTE \$78,441 Racing sire (28 starts - 12 wins, 5 seconds, 2 thirds) Two time Darley Nominee - produced champion racers, jumpers, dressage, endurance. Traces line back to the greats such as Magus, Orzel, touch of Magic, Naseem, WIELKI SZLEM, and Sambor.

Looking forward to see what this boy produces, join us in his first season!
