Trip is a 15.2hh, 6 yr old, Dappled Buttermilk Buckskin Quarter Horse gelding that is well built. Trip was born and raised in Oklahoma and has spent most of his life working on a ranch. He has been used in every aspect of ranch work from herding to doctoring and sorting. He has been started in the roping pen and has roped both head and heels. I have personally used him all last summer and fall on the rodeo circuit to tug bulls out of the arena and pickup broncs on. He is a very handy horse and will buckle down and pull a ton bull out of the arena. In addition to ranch and rodeos he has been trail ridden in several states. He has been camping and he has saw everything possible on the trails. He will cross creeks, ditches, logs and navigate rough rocky areas. He is safe in traffic safe whether that be trucks or cars. He is stout enough to carry a larger rider. He neckreins around, has a nice lope and backs. Trip has been exposed to all kinds of wildlife such as deer or turkey or other animals like cows or dogs and will go anywhere that he is asked too. He has been rode many miles in the mountains of Ohio and Kentucky and encountered every obstacle possible on the trail. He will go up or down even the steepest slopes, across deep creeks, over downed trees, and over all types of rough terrain while still being sure footed. If you need a big stout using horse here is one that will do anything you ask of him! Call me with any questions - Click here to reveal phone number -
