Description

Percy is a handsome 2021 AQHA pending colt. He is bay or bay roan, I do not plan on testing him, his first shed will tell us if he is roan or not but he has a lot of silvery hairs in his coat. Pictured at 15 days old, Percy is well built and very brave/curious. His full sister found a new home as a barrel prospect, and he has several half siblings excelling in this avenue as well as competitive rope horses and every day Ranch horses. We expect he will mature around 15-15.1h. He will come registered, dewormed, trimmed, standing tied and we'll on his way to halterbroke. \$2500+gst
