Miss Kitty is a 15.1hh, stocky built, 8 year old and beautiful buckskin tobiano beauty Mare!!! She has been trail riding and camping in Tennessee, Ohio and Kentucky. She is easy to clip, bath, tack-up, load, and handle. Kitty is a very well broke horse that rides quiet and will build her riders confidence! She has a very smooth and natural 4-beat gait all the way up to 10mph with a nice lope. She moves out easily and will also walk quietly on a loose rein. She is so easy to ride that even a caveman could do it! She has been ridden around farm equipment, ATV's, over large noisy tarps and has also had guns shot off of her back. No matter where she goes or what she does, Kitty is not spooky acting. On the trails she is always great! Arden has been exposed to all kinds of wildlife such as deer or turkey or other animals like cows or dogs and will go anywhere that she is asked too. She has been rode many miles in the mountains of Eastern Kentucky and Tennessee and encountered every obstacle possible on the trail. She will go up or down even the steepest slopes, across deep creeks, over downed trees, and over all types of rough terrain while still being sure footed. She has been rode in traffic and is safe around cars and trucks. She has a great attitude and an easy going personality.
