### Description

Holy Smokes! Would you look at this girl?! She is gorgeous and built like a brick house too! This stunning filly is a perlino leopard. She is by our DZ Weedo son, Final DZign and out of our incredible Blackburn bred AQHA mare, Royal Blackburn Doll. This gal is going to be FANCY. She will have lots of shape, bone, mane and tail, and she already has a cute little head and one stout hip! She has a very nice show and old foundation pedigree that will lend her to being extremely versatile. Being a perlino, she does carry two copies of cream, so she will be able to produce buckskin and palomino for you after you've enjoyed riding and showing her! This girl is just a knockout! Don't miss her! 5 panel n/n through parentage. She will be available to join her new family this fall after weaning and halter breaking. A 20% deposit down to hold and monthly payments are welcome through weaning!
