Description

Prince is a 15.2hh, 5 yr old, Jet Black Friesian Crossbred gelding that is well built. Prince has spent time riding on a small ranch but has most recently been used as a trail horse. He has been ridden in several states. He has been camping and he has saw everything possible on the trails. He will cross creeks, ditches, logs and navigate rough rocky areas. He is safe in traffic safe whether that be trucks or cars. He is safe for advanced beginners to ride. Prince is a gentle horse to handle and rides quiet. He is stout enough to carry a larger rider. He neckreins a little, has a very nice lope and backs. Prince has been exposed to all kinds of wildlife such as deer or turkey or other animals like cows or dogs and will go anywhere that he is asked too. He has been rode many miles in the mountains of Eastern Kentucky and encountered every obstacle possible on the trail. He will go up or down even the steepest slopes, across deep creeks, over downed trees, and over all types of rough terrain while still being sure footed. Prince is not cinchy, cold backed, does not crib or weave and has not pulled back when he is tied. Feel free to call with any questions.
