## Description

This gelding is a very powerful and willing show prospect. While being a very competitive horse in the ring, he is also a very sweet and quiet horse on the ground. He stands for a farrier, loads a trailer with no problem and is calm and sweet when handled. He has more go than whoa and requires a more advanced rider. His impressive show history has taken him all over the mainstream circuit, showing successfully in TN, KY and WV. This horse would make a wonderful addition to your show program.
