Thunder is a 10 year old, 14.3H, 3/4 Haflinger and 1/4 QH gelding. If you are looking for short, stocky, reliable, and kid/grandma safe horse well here he is! Thunder is super quiet and safe, he trail rides very well. He is good in creeks or deep water, great on rough rocky trails or just moseying down dirt roads and on the highway he is very traffic safe. Thunder has also been in Parades and wagon trains. He has been driven single and double but not in the past year and a half. Thunder has a nice short lope, will stop easily and reins around nice too. He certainly has more whoa than go which is great for beginners or timid riders but he will move out with a gentle nudge. Thunder is safe, reliable, well built, and broke for anyone and 100% sound with no vices! Call Nathan Raber - Click here to reveal phone number - with any questions!
