Description

Professor Jenkins:

12 year old pony for sale !!!

Pj has done western, English, jumping, he loves little kids and is looking for a little that can keep him active and going everyday. I got him for my nephews but they don't ride him at all and I know he wants a job so this is no fault of his own ! I will only sell to a forever home and good environment this is one of my babies! He has been sitting for about a month. Needs work but once worked he is amazing ! He loads up in a trailer like nothing. He does like to play the chase game when it comes to catching him but if you have a cookie he will let you catch him. Throw some offers !
