Ruby is one classy gal , she's got all the shape in the world ! Standing right at 14.3hds tall .She is a grand daughter of the legendary Highbrow Cat the greatest cutting horse sire of all time and on the bottom side her breeding goes back to the great APHA cutting horse Delta Flyer (exceeding career earnings of \$260,000) Ruby has all the class in the world, she is broke like you want one to be, she travels low headed and with ease. She has a rocking chair lope. If you can sit in a saddle you can ride Ruby. She has done all the ranch chores including dragging calves to the fire, doctoring in the pasture to sorting and shipping. She's not just a ranch horse, take her and show her in the ranch versatility classes or if you're just wanting that once in a lifetime trail horse to be your best friend that the whole family can enjoy then she's your gal. She has been rode by kids and all levels of riders. She's been down to the bright lights of the Famous Forth Worth Stockyards and has seen the Texas rivers and trails. She will cross creeks, bridges, logs and will go up and down hills with ease.

This pretty girl turns heads wherever you go. Leave her off and step on her in the coldest day in December or the hottest day in August and she will be the same. She's truly a special girl. Stands for mounting/dismounting, will also stand for a mounting block, bridles, saddles, stands tied great. Ruby has a huge heart and aims to please.
