Description

Four year old grade gelding. More slow than go. Will work cattle, side pass, loads and backs out of the trailer, stands when tied, and is great while riding around other horses or will ride alone. Would make a very safe trail horse and has been horse camping with Back Country Horseman to clean trails and haul out trash. He's not spooky and startles in place. I bought him earlier in the year for a job opportunity I ended up not taking in Colorado, my family rides gaited horses so it's hard for him to keep up. Great horse for a confident beginner. Will lead a trail ride, and ride in the back or middle. Easy going and quiet just shy of 14.3 hands. Good home is a MUST.
