Description

Hazel is a 14yr old overo paint mare. She knows a lot and has a lot to offer a person. She knows neck reining, leg ques, flexing, standing still wile mounting, and knows how to disengage hind quarters. Would be a great barrel prospect for anyone however not started, could be an amazing endurance horse, would be an amazing pole bending horse, or even an all day everyday horse to ride in the trails and bluffs. This horse has a lot of energy that needs a job or multiple jobs, but needs a confident rider that can control that. Hazel girl is road safe, tractor safe, dog, cat, sheep, cow, 4-wheeler, lawn mower, all safe and handles things like a champ. Goes across ponds, bridges, and rivers. Has done many overnight and all day trail riding and does amazing take her out all day come in for lunch and take her out again she just does not stop doing her job. Picks up all 4, not mare ish at all, up to date on all shots, coggins, and farrier. Stands 15.2ish.
